

175th Anniversary
1833—2008

MEMORIAL PATHWAY BLOCKS
for
OUR LADY OF THE FOREST GROTTO

As you know we are celebrating our 175th Anniversary this year. But did you realize it is also the 10th Anniversary of Our Lady of the Forest Grotto and Memorial Walkway? Well it is. We plan on making some needed repairs to the drainage system in addition to a few other improvements such as the benches.

We have many new parishioners and families since the Grotto was first built. THIS YEAR would be an idea time to get your personally inscribed grotto stones. Why not honor those special people in our lives with a gift that will last a lifetime. Or perhaps if you have recently lost a loved one, have them remembered with a lasting engraved stone in their memory.

We will be taking Grotto Stone orders now. We expect to have any new engraved stones ready and installed by mid to late summer. Please note that bricks will be located randomly and cannot determine where any individual brick will be placed.

ORDER FORM:

8" x 8" STONES limit of 12 characters per line, including any spaces											

8" Square
 Stones
 cost \$250.00
 each

12" Square
 Stones
